1. Who we are

The Greater Manchester Combined Authority (GMCA) is made up of the ten Greater Manchester councils, the Greater Manchester Fire and Rescue Service, and the Mayor of Greater Manchester. We work with other local services, businesses, communities and other partners to improve the city-region.

2. Summary of the survey

The Police Reform and Social Responsibility Act 2011 places a requirement on Police and Crime Commissioners or Mayors, to produce a Police and Crime Plan, outlining the priorities for policing for the coming years. In the development of the plan, there is a requirement to consult partners and the public to inform the priorities and content of the upcoming plan.

As part of a phased approach to consulting on the Plan, this survey seeks to attain the views from front line workers who work in a public facing environment.

3. What information we will collect from you (the purpose and legal basis for processing information)

The survey will ask you some questions about broad overview of the questions/survey and why you are collecting this information.

We will collect the following information in order to ensure we hear from a representative selection of Greater Manchester communities, and to ensure any policy decisions or interventions are based on the needs of different communities:

- The name of the organisation you work for
- The type of organisation you work for
- Which local authority area do you work in
- How old are you?
- How do you describe your gender?
- Do you identify as trans/transgender?
- How do you describe your ethnic background?

- How do you describe your religion?
- Which of the following best describes how you think of yourself? (Sexuality)
- Do you consider yourself to have a disability? (Please tick all that apply)
- Your email address, if you would like to receive a copy of your submission

We are asking for this as we want to make sure we hear from Greater Manchester's diverse communities, and also to ensure any policy decisions or interventions are based on the needs of different communities.

As the GMCA has legal responsibilities for the wellbeing of Greater Manchester residents, the legal basis for undertaking this survey and using the survey data will be:
