### 1. Who we are

The Greater Manchester Combined Authority (GMCA) is made up of the ten Greater Manchester councils, the Greater Manchester Fire and Rescue Service, and the Mayor of Greater Manchester. We work with other local services, businesses, communities and other partners to improve the city-region.

### 2. Summary of the survey

The next ten years will see a radical transformation in Greater Manchester's approach to gender-based violence. The Gender-Based Violence Strategy aims to lead a comprehensive, responsive programme of service delivery that enhances the safety of women and girls, while preventing gender-based violence, challenging the attitudes and inequalities that promote it, and enabling those perpetrators who want to change to do so.

The survey will aim to seek the views of those living or working in Greater Manchester on the draft priorities of the strategy and our proposals as to how these will be achieved. The survey will also seek to identify significant gaps in proposed actions to address gender-based violence.

Data is being collected from respondents who have opted to complete the survey which is being hosted on the GM Consult website (Citizen Space provided by Delib), under the Deputy Mayor's remit of Police, Crime and Fire.

The results will be analysed by GMCA and published in an anonymised report to help inform the development of strategy.

### 3. What information we will collect from you (the purpose and legal basis for processing information)

The survey will ask you some questions about your views on the draft priorities of the strategy, our definition of gender-based violence and your views on our commitments. We'll

also ask which priorities and commitments you think we need to prioritise. If we are to effectively tackle gender-based violence we must mobilise the whole of Greater Manchester and work together, therefore we want this to be a Strategy where everyone can have a say on what we are proposing.

We will collect the following information in order to ensure we hear from a representative selection of Greater Manchester communities, and to ensure any policy decisions or interventions are based on the needs of different communities:

- The local authority area you live in
- Your age bracket
- Your ethnicity
- Your religion
- Your gender identity
- Whether you identify as trans/transgender
- Your sexuality
- Whether you have a disability

We are asking for this as we want to make sure we hear from Greater Manchester's diverse communities, and also to ensure any policy decisions or interventions are based on the needs of different communities.

As the GMCA has legal responsibilities for the wellbeing of Greater Manchester residents, the legal basis for undertaking this survey and using the survey data will be:

- Article 6 1(e) processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the controller

And for the more sensitive data:

- Article 9 2(g) processing is necessary for reasons of substantial public interest

*This consultation falls within the legal responsibility for the Office of the Police and Crime Commissioner to produce and Police and Crime plan and review it appropriately (Police Reform and Social Responsibility Act 2011, Chapter 3, Section 5) and to ensure the views of the public are sought (Police Reform and Social Responsibility Act 2011, Chapter 3, Section 14)*

*Greater Manchester Combined Authority Order Art.10 promotion of wellbeing*
