### 1. Who we are

The Greater Manchester Combined Authority (GMCA) is made up of the ten Greater Manchester councils, the Greater Manchester Fire and Rescue Service, and the Mayor of Greater Manchester. We work with other local services, businesses, communities and other partners to improve the city-region.

### 2. Summary of the survey

Police and Crime plan priorities for Greater Manchester - refreshing the priorities

The Mayor of Greater Manchester, is responsible for setting the direction for policing and community safety in our city-region. The Deputy Mayor has responsibilities for policing, fire and criminal justice and developed a police and crime plan for Greater Manchester Communities in March 2018.

In order to ensure that the priorities in the police and crime plan are still the right ones, the Deputy Mayor is refreshing the police and crime plan. Over the summer the police and crime team have been working with the ten community safety partnerships, Greater Manchester Police, young people, businesses, communities, Health and VCSE organisations to ask their views on the priorities for the refreshed plan.

There has been overwhelming support that the priorities in the current plan reflect what is also a priority at district level and we are now seeking views from members of the public and businesses to understand what they think our priorities should be.

### 3. What information we will collect from you (the purpose and legal basis for processing information)

The survey will ask you some questions about:

The priorities in the plan

The areas of focus for each priority

Any other information that the respondent may want to share in relation to each priority

Demographic information

Whether the respondent has been a victim of crime in the 12 months

We will collect the following information in order to ensure we hear from a representative selection of Greater Manchester communities, and to ensure any policy decisions or interventions are based on the needs of different communities:

- The local authority area you live in
- Your age bracket
- Your ethnicity
- Your religion
- Your gender identity
- Whether you identify as trans/transgender
- Your sexuality
- Whether you have a disability

We are asking for this as we want to make sure we hear from Greater Manchester's diverse communities, and also to ensure any policy decisions or interventions are based on the needs of different communities.

As the GMCA has legal responsibilities for the wellbeing of Greater Manchester residents, and a responsibility to treat them fairly and equally, the legal basis for undertaking this survey and using the survey data will be:

- Article 6 1(e) processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the controller

And for the more sensitive data:

- Article 9 2(g) processing is necessary for reasons of substantial public interest
